Back to Gold, 5 Year Ticket Purchase Scheme

The five year ticket scheme operated by Kerry GAA over past years has proven to be a huge success. Every participant is guaranteed a match ticket when Kerry is involved and ensures all our games are promoted to the maximum.

Our Centre of Excellence in Currans is about to become operational after years in the offing and the development of the Sports Academy at IT Tralee has also commenced. Continued fundraising will be required over the next number of years and I wish to sincerely thank each and every person who has participated in the previous ticket schemes.

There are, I believe, very exciting times ahead for Kerry over the next while and I look forward and encourage everyone to join our new ticket scheme and be part of our collective future.

Success in the future is based on having a strong foundation in place now. Our new Centres of Excellence in both Currans and the Institute of Technology Tralee, will help us in our quest to achieve excellence at all levels in both hurling and football. This facility is for all our inter-county teams including development squads. Kerry has consistently been at the top tier of Gaelic Games and we want to remain there! We are providing our youth with the best facilities to develop their skills and natural talent. As well as that, these young players are training alongside their Kerry heroes, watching them, copying them and hopefully emulating their success.

On field success is very much reliant on the structures available off the field. In Currans, we have a Centre of Excellence which is a state of the art facility. It's maintenance and development is essential if we expect to achieve our vision and get 'Back to Gold'. Your continued financial support will ensure that we can face the future with confidence, safe in the knowledge that supporting excellence results in continued excellence.

Whether it's man or woman, whether it's football or hurling, we are united under the Green and Gold jersey, we are Kerry and Kerry is the Kingdom!

Our Tradition, Our Future, Our County!

Value for Members

The Kerry County Committee has promoted a 'Ticket Purchase Scheme' for GAA followers in the County and beyond for the past 17 years. These schemes have received great support and that financial support has contributed hugely to our past success.

What makes these schemes so attractive to Kerry Fans?

The availability of tickets for members for all games involving Kerry up to and including the All Ireland Final!

What previous scheme ticket holders have said

Great scheme, I send in the money and the County Secretary posts out my ticket. Couldn't be easier!

Pat, Killarney

I like the peace of mind of knowing if Kerry are in the All Ireland, I will be there too!

Seán, Tralee

I want to support the fundraising efforts of Kerry GAA. They are doing great work from underage up to senior level and the facility in Currans is a great advantage for training going forward.

Mary, Killarney
